I am pleased to say that the festival is developing nicely and is already looking like it will be a great day.

The Church, Chapel Street, Glossop

The Church has three rooms, a kitchen, and a car park which surrounds it.

The workshops, guest speakers, and music/performances will be held within the Church; the stands and stalls will be on the car park.

GEORGE STREET WOODS

The Enchanted Woodland will provide nature inspired activities that encompass arts, live acts, family fun, entertainment, and interactive activities, as well as stimulating creativity and imagination...

I am looking for groups and organisations to get involved in this.

Grants, Sponsorships, and Fund Raising

We are in the process of applying for funding; I will announce any successful bids once I hear back.

If you know of any funding we can apply for or any sponsorship we could obtain I would be very grateful.

Appeal for Prizes

I am appealing to shops, organisations, etc to donate prizes.

Book and Confirm your Place

I need all who wish to attend to book and confirm a space.

To do so all you need to do is send me an email with brief details on your group/organisation, what you will be doing on the day along with a photo or logo.

This information will be used for the promotion of the festival and will enable people to find out about what will be happening on the day. It is also an opportunity for groups attending to promote themselves.

Please check the website to see if you have been added to the confirmed list.
